

approach. The Health and Human Services picked up that modified approach, researched it, went back to management with the Social Service Department and said, it is our idea, the majority of this committee, that we need to insert back \$100,000 to provide those programs. Senator Hannibal said that we have increased that budget considerably in the last few years, and we have. I think this "credifies" the decision of the Health and Human Services motion to put this bill on the floor, modified to the extent it was, because we need the people actually out there on the front force fighting. We did not vote to keep the offices open, but we did vote to keep the staff out there where they are needed. Recognize the process. The process has been very good, been very well thought through. The Legislature voted to accept that process yesterday. Be comfortable with it today, be even more cred...give it even more credit today. I would encourage you to vote positive on this bill.

SPEAKER BARRETT: Thank you, Senator Miller. Did you request a roll call, or not? Roll call has been requested. There are still two members absent. Do you want to proceed, Senator Miller? Senators Schmit and Goodrich. Here comes Senator Schmit. Thank you. Proceed, Mr. Clerk.

CLERK: (Roll call vote taken. See pages 600-01 of the Legislative Journal.) 29 ayes, 16 nays, Mr. President, on the motion to advance.

SPEAKER BARRETT: LB 392 advances to E & R Engrossing. I would like to proceed to additional bills on Select File, none of which do have amendments. I think we can move through them very quickly and then conclude with some confirmation reports and two or three extra motions. First bill, 304A, Mr. Clerk.

CLERK: Mr. President, 304A, I have no amendments to the bill, Senator.

SPEAKER BARRETT: Senator Moore.

SENATOR MOORE: Mr. Speaker, I move the advancement of LB 304A.

SPEAKER BARRETT: You have heard the motion to advance 304A. All in favor say aye. Opposed no. Carried, the bill is advanced. Mr. Clerk.

CLERK: Senator Moore, on LB 175 I have E & R amendments, Senator.
